The screenshot shows the BadgerLink search interface. At the top, there is a navigation bar with links for Home, Lists & Articles, Professional Toolbox, and Spotlight. A search bar contains the keyword "sports and friendship". Below the search bar, there are options for Basic Search, Advanced Search, and Search History. On the left side, there is a "Refine Results" panel with several filter categories: "Limit To" (with checkboxes for Teens, Ages 9-12, and Ages 0-8), "Publication Date" (with a date range from 1945 to 2014), and "Genre" (with expandable options for Storyline, Tone, Writing Style, Illustration, Subject, and Location). The main content area displays search results for "sports and friendship", showing 1-30 of 606 results. The first three results are: "Good sports" (Jan 2007) by Chaconas, Dori, 1938-; "Abby the bad sport" (Aug 1997) by Martin, Ann M., 1955-; and "The sports pages" (Jul 2012) from the GuysRead series. Each result includes a book cover, author information, a brief description, series information, Lexile level, popularity stars, and age group. Red arrows point from text boxes to specific elements: one to the search bar, one to the "Ages 0-8" filter, one to the "Ask a Librarian" link, one to the "Publication Date" filter, one to the title "Good sports", and one to the "Genre" filter.

BadgerLink provides access to quality online information resources for Wisconsin residents.

BadgerLink is a project of the Wisconsin Department of Public Instruction (DPI), Division for Libraries and Technology. The project is funded through the Wisconsin Universal Service Fund with partial support provided by the Library Services and Technology Act using funds received from the Institute of Museum and Library Services (IMLS).
